Dear Shag Club Members,

The holiday season is a time of opening our hearts. Thank you for opening yours to support patient care at Hospice & Palliative Care of Iredell County. Everyone should have the opportunity to be surrounded by their family, especially during the holidays. Through your support, patients can be with their families, spending quality time, free of pain and supported by a professional care team. Your donation helps our caregiving teams provide comfort, care and compassion at a critical time in life. As well, your gift provides needed support to children and families who are grieving the loss of a loved one. We cannot say thank you enough.

Hospice & Palliative Care of Iredell County's comprehensive and compassionate end-of-life care is available to all in our community, regardless of age, diagnosis or financial ability. With the need growing to care for more and more uninsured and underinsured patients, your support helps ensure that no one in our community will have to face the end of life without the care and support provided by our hospice team of professionals. In 2010 we were able to care for nearly 900 patients, and with the expansion of the Gordon Hospice House, we will provide care and services for more patients and their families.

As the only non-profit Hospice agency to truly call Iredell County home, we pride ourselves as belonging to the community. We are here for anyone in need. If you have any questions regarding Hospice services or how your gift is making a difference, please contact me at 704-873-4719.

Warmest Regards,

Terri Phillips
President/CEO
